

Year 1 Newsletter

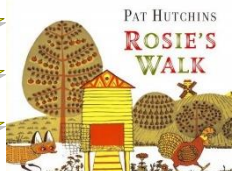

8.10.18

Last week we had fun finding out about washing and drying clothes. Our story was *The Washing Line* by Jez Alborough. We washed our dolls clothes and hung them to dry to see if they would dry in the different weathers we had. We also decided to make a vet after we spent some time finding out about hedgehogs. We had great fun, making notes about the animals and deciding how to help them.

This week we are going to find out about washing day in the past.

We will also be reading and writing about our new book called *Rosie's Walk* by Pat Hutchins.

$$5 + 1 = 6$$

Our number work will focus on addition and subtraction. We will be using the numicon to solve simple problems.

Requests

We are currently making binoculars in our workstation and are using lots of kitchen roll tubes. We would very much appreciate any tubes that you could send when you have finished with them.

Changing of the Seasons Festival

We would love you to join us for some seasonal fun at 2.00pm on October 17th. The children will have the opportunity to make chocolate apples, leaf collages and other Autumnal crafts.

Year 1 Celebration

Next Friday (19th Oct) is our chance to show everybody some of the things we have been doing during our topic. This will be a short presentation at the end of celebration assembly. You are warmly invited to the celebration assembly to see the things we have been doing.

Thank you for your continued support,

Mrs Pascoe and the Year 1 Team

Please remember to look at our class page on the website to see the exciting things we have been doing.
