

4th October 2019

Hereford Cider Museum

Dear Parent/Carer,

As part of our science topic, 'How **did that blossom become an apple?**' Year 3 will be visiting Hereford Cider Museum on Thursday 10th October. We will have a guided tour and have time to explore the interactive exhibits. The children will have time to ask and find the answers to various questions.

We will be leaving school at 9:30am and will return for lunch. The children will travel by school minibus.

The cost of the trip will be £4 to cover the transport and entrance costs. Please pay via parent pay.

The trip will be an exciting way to bring another dimension to our topic. We will hopefully be pressing our own apples in class next week following the visit to Hereford.

Yours sincerely

Mrs Gemmell
