

21st November, 2019

Dear Parents and Carers,

Next week the children will be taking part in our annual children's Christingle. This celebration requires each child to make a Christingle to use at the service. We plan to make our Christingles on Friday 29th November, and would therefore ask each child to bring in their Christingle orange by Thursday (28th) morning. Oranges can be sent in to class throughout this week in preparation for making them on Friday.

Christingles are made using oranges, candles and small sweets. If you would like to donate any packets of small soft sweets, please feel free to send them in too.

Thank you for your continued support,

Della Pascoe

Mrs D Pascoe
Deputy Head and Year 1 Teacher.
