

Tuesday 20th October 2026

Dear Parents and Carers,

As part of our learning about Africa this term, we are excited to offer the children the opportunity to take part in an African Drumming Workshop on 13th November. This engaging, hands-on experience will allow the children to learn about African culture and traditions through music while having lots of fun.

During the session, the children will have the chance to play authentic African drums, learn different rhythms and patterns, and explore how music is used for communication, celebration and storytelling in African communities. The workshop will help to bring our learning to life and deepen the children's understanding of the topics we have been studying in class.

This experience will support several areas of the curriculum, including music, geography and cultural understanding. It will also encourage teamwork, listening skills, concentration and confidence as the children participate together in creating rhythms and performances.

To cover the cost of the workshop, we kindly ask for a contribution of £4 per child. Payments can be made via Parent Pay.

We believe this will be a memorable and valuable experience for the children and hope that everyone will be able to take part.

Thank you for your continued support.

Yours sincerely,

Mrs Egan-Savage
Year 2 Class Teacher
