Even though it has been a four-day week, we seem to have fitted in enough activities to more than make up for the Bank Holiday! We have really enjoyed the VE Day celebrations, with a wonderful whole-school picnic to enjoy the amazing array of cakes that came into school! Mrs and Mr Morgan created some incredible VE Day planters, which provided the perfect photo opportunity - thank you so much to them for their talents and generosity. It was also wonderful to hear the children showcase their beautiful voices this morning in Celebration Assembly, as they joined together to sing 'I'll Remember.'

Year 3 have had a particularly busy week, as they successfully completed a brilliant residential trip to Oakerwood. They faced challenges and new experiences, overcoming them in style. Miss Wood, Mrs Preece, Miss Massey and Miss Evans were so proud of the children, as am I—a huge thank you to the adults for making it such a positive and memorable occasion for the class. You can check out more photos on Facebook, so do give us a 'follow' if you haven't already!

Year 1 have been enjoying their topic, 'Under the Sea'. They have been busy reading books about the beach, investigating sea creatures and chalking sea animals from the stories. They have particularly enjoyed reading *The Snail and the Whale* and have written some brilliant postcards from the whale on his adventure!

And finally, I'm delighted to welcome Mrs Tanya Musisi to Kingstone, as she started in her role as Pastoral Lead and SENDCo Admin this week. Mrs Musisi has had a busy first few days and has fitted into the team brilliantly. She will be getting to know our families more over the coming weeks, so do pop in and say hello!

With best wishes for a lovely weekend,

Elissa Vigus
