Dec Newsletter No. 2

w.e. 12.12.2025

I am not sure how we have managed to fit everything in this week. On top of a week of classroom learning we have somehow managed to fit in lots of festive events and celebrations, too! Our week started with a whole school visit to Kingstone Church for our annual Christingle Service. The children took the Christingle oranges that they had prepared, and they were lit whilst Reverend Cate shared a prayer. The children also performed a song that they had learnt.

On Tuesday we were treated to two brilliant performances by our Infant children. Their 'It's a Party' Nativity was just brilliant! From the dancing to the singing and the way in which the children delivered their lines, we were so impressed with them all. We are now looking forward to the Junior's Christmas Performance which will take place in the High School performing hall next week.

Yesterday was Christmas Lunch and jumper day. The school was a sea of bright colours and sparking lights; it was lovely to see the array of festive jumpers on display. The children enjoyed their Christmas Dinner very much – the Christmas pudding cookies were a particular hit!

Thank you to all those who took part in or supported our Santa Run this afternoon – another brilliant event to end a very busy week! The children all had a great time, and we are looking forward to tallying up how much money we have raised for Midlands Air Ambulance.

Next week is just as busy with lots more brilliant events to enjoy. We hope you are able to join us for the Bingo and Pudding evening on Tuesday 16th December at 5:30pm for a 6:00pm start.

I am sure all the children are ready for a rest this weekend after such a busy week; the adults certainly are!

I look forward to welcoming the children back on Monday for the final school week of 2025 - I am not quite sure where the Autumn Term has gone!
With best wishes for a wonderful weekend.
