

# Kingstone and Thruxton Newsletter

Mar Newsletter No.4

w.e. 28.03.2025

We have enjoyed seeing more signs of Spring this week, especially the beautiful sunshine, which we have definitely made the most of!

On Tuesday, Year 4 had a Geography field trip to Hereford. Before leaving they planned out the route on an OS map, before arriving in town and visiting different places to find out what amenities there are for people visiting our city. All staff on the trip were impressed with the way in which the children behaved as they navigated the city and were praised by different members of the public for being polite and respectful at all times. What a credit to the school—we'll done Year 4!

Reception have been lucky enough to go to Lambing Live and they had a fabulous time! Although they didn't get to see any lambs being born on this occasion, they were able to stroke some lambs that had been born that morning! The children learnt all about different crops and animals and showcased their photos and singing brilliantly in today's Celebration Assembly Showcase.

This week Year 3 have been busy learning about branching databases in computing. They found that they were able to classify animals just by using yes/no questions! Next week they are going to be building on their knowledge to draw their own version, I can't wait to see what they come up with!

A huge thank you to all who attended our Well-Being Wednesday event this week! We had a great turnout, with lots of great discussions taking place. Our Young Hopefuls were also on hand with a great smoothie sale and the book sales have meant that we have received 23 free books for school! Well done to all involved and for your ongoing support.

Keep your eyes peeled for more information during the next few weeks around a new app that we will be using in school called 'My Child At School.' This will be phased in over the next couple of months and offers lots of exciting new tools to streamline how we work—more information to follow!

With best wishes for a lovely weekend, particularly to all the female role models we are lucky enough to have in our lives.

Elissa Vigus  
Headteacher

## Stars of the Week

**Reception - Jaxon** for always trying so hard during our phonics sessions.

**Ruby** for being more confident to answer questions during carpet time.

**Year 1 - Otis** for having brilliant manners and being so polite.

**Grace** for great listening skills during carpet time.

**Year 2 - Louie** for being an amazing role model on the playground.

**Caitlyn** for excellent contributions during class discussions.

**Year 3 - Arthur** for being so enthusiastic and engaged in all learning.

**Sam** for setting a brilliant example and impressing everyone in French lessons.

**Year 4 - William** for being a great role model to others, always helping out and looking after others.

**Darcie** for having such a positive attitude and approach to her math's lessons and always pushing herself to do well.

**Year 5 - Daisy** for always being kind and supportive to her friends.

**Rhys** for always answering lots of question in class.

**Year 6 - Tom** for working so hard on his reading.

**Zach** for putting 110% into everything.

Super!
