What a brilliant and busy week we have had. We kicked off the week with a very successful Sports Day on Monday morning. It was brilliant to see a range of track and field events in action. A huge thank you to Mr Thakkar who took some brilliant drone footage of this event. Watch this space for the video coming soon! A huge well done to Miss Exley for organising such a successful event. Yesterday was Transition Day so the children spend the day in their new classrooms. There were so many smiling faces around the school as children met their new teacher and got excited about the year ahead. The Year 3 children had great fun creating some mixed media 'all about me' posters, ready to decorate the classroom in September. Today saw the opening of our new Sensory Garden which is a really lovely additional space for children to use during free time. We are really looking forward to watching it develop and grow as the sensory plants flourish. A huge thank you to Mrs Richards who went above and beyond to make the planters in this area look so great!

We have been celebrating our wonderful Young Hopefuls as they reach the end of this academic year. We are so grateful for all of their hard work and support—they have been a huge help in so many ways. Applications will open in September to build our new team of Young Hopeful children.

With best wishes for a lovely weekend.
