

Kingstone and Thruxton Newsletter

Apr Newsletter No.6

w.e. 11.04.2025

We absolutely loved welcoming Charlotte from The Dogs Trust into school this week, who delivered 'Be Dog Smart' workshops for each of our year groups. She was accompanied by an extremely realistic, life-sized, toy dog and together they helped our children to develop an understanding about safe and considerate behaviours around dogs they know and live with and in the community. Thank you to Charlotte and the Dogs Trust for being so brilliant—we are hoping that we will be working with the charity again later in the academic year, so watch this space!

Year 5 have been busy artists this half term, inspired by Georges Braque, who was one of the pioneers of Cubism. Adopting Braque's style, they have created mixed media pieces of abstract art using collage and sketching. Lots of creativity and 'thinking outside the box' was required to complete their final pieces, designed to represent significant landmarks in New York. The children have worked really hard on their final pieces, which are looking great!

And finally, I'm delighted to announce that we have now launched our brand new Facebook page: Kingstone and Thruxton Primary School! Please do take a look and like and follow us to keep up to date with new posts. We will be posting regular updates on here of all the wonderful things we get up to in school.

I look forward to welcoming everyone back to school on Monday 28th April for the start of the Summer Term. With best wishes for a lovely Easter break,

Elissa Vigus
Headteacher

Stars of the Week

- ★ **Reception - Cobie** for his amazing progress and efforts in phonics, and impressing a visitor with his reading!
- ★ **Ella** for always showcasing our school rules 'Ready, Respectful, Safe.'
- ★ **Year 1 - Phoebe** for always being so involved in our lessons.
- ★ **Joshua** for a brilliant attitude towards his learning.
- ★ **Year 2 - Aeryn** for her imaginative ideas during our sentence stacking lessons.
- ★ **Tommy** for his excellent reasoning skills in our Maths lessons.
- ★ **Year 3 - Darcy** for brightening up the classroom with her brilliant sense of humour and commitment to school values.
- ★ **Charlie** for giving 100% to all he does.
- ★ **Year 4 - Jaxen** for amazing DT skills, as well as also helping others with their projects.
- ★ **Lilly** for always paying attention to the finer details in all her work.
- ★ **Year 5 - Sonny** for great participation and improvement in football sessions.
- ★ **Fae** for brilliant weaving skills and helping others.
- ★ **Year 6 - Max** for being an amazing leader in PE.
- ★ **Evie** for her amazing writing ideas and improvements in grammar.

Super!
