## A MESSAGE FROM MRS PREECE

I had a lovely start to the week celebrating some brilliant writers at the Writers' Tea Party. We had a wonderful time reading work from each of the children and were very impressed with the standard. Well done to Ella, Pippa, Phoebe, Lexi, Louie, Theo and Kaelan - I am proud of you all!

On Thursday, Year 2 had a brilliant trip to Queenswood linked to their topic of plants. The children enjoyed identifying different trees, creating bark rubbings and building dens. The weather was on their side and they all had a wonderful time!

Information about Parents' Evening will be coming home very soon - we have an exciting new online booking system, through the MCaS app. We are looking forward to sharing your child's learning journey with you.

Have a wonderful weekend.

Mrs Preece 😊

## RECEPTION NEWS

This half-term, the Reception children are learning about new life. They have been thinking about different animals that are born spring time, and made some nests for them in Forest School.

## YEAR 6 NEWS

Year 6 have had a brilliant week of maths, this week! The children have been actively engaged, exploring the link between fractions and percentages.

To reinforce their learning, we created some fun maths games that not only made the lessons enjoyable but also helped secure knowledge. These games provided a fantastic opportunity for the children to rehearse their skills in a playful environment, fostering collaboration and friendly competition among peers.

It's wonderful to see the enthusiasm and confidence growing in our young mathematicians.
