## A MESSAGE FROM MRS PREECE

There has been lots of brilliant work happening in classrooms this week as well as some great events. We have had a boxing coach in school all day today, delivering sessions to pupils in Year 1 to 6. I know that the children have really enjoyed the sessions - thank you to South Wye Police Boxing Academy for providing a coach.

Year 4 had a great day on Thursday for their Roman WOW Day. They enjoyed trying lots of new foods that were eaten in Roman times, created some Roman inspired crafts and found out lots more about what daily life would have been like in Ancient Rome. The costumes that the children wore were brilliant and really helped to bring the day to life!

## YEAR 1 NEWS

This week Year one have enjoyed being outside and learning how we can measure the weather for their topic Weather Watchers. They have made rain gauges to measure rain fall (which we have had a lot of!) and colourful ribbon streamers to help tell which direction the wind is blowing.

## YEAR 6 NEWS

Look at the wonderful work Year 6 have produced in their Science lessons! Recently, they delved into the fascinating world of evolution and adaptation. The children used their knowledge to create insightful pieces of writing that explored the theories of Charles Darwin and other notable scientists. The children discussed key concepts such as inherited traits and environmental adaptations. They pondered questions like: What features can be passed down through generations? Which characteristics have evolved to help species thrive in their habitats? The discussions were lively, and it was heartening to see the students connect their learning to real-world examples. Well done Year 6, we are proud of you all!

# NOTICES

## HEAD LICE

**We have been notified of a few cases of headlice recently.**

**We would appreciate you checking your child's hair and treating it if there are signs of lice or eggs. We would also recommend that children with long hair have it tied up for school.**

## Lunch Order Cut-off

**Menus for next half term are now available to book through ParentPay. Please ensure all bookings are completed by 9pm on Thursday for the following week. Unfortunately, no cancellations or changes can be made after this deadline.**

**Wellbeing Wednesday Event**

**We are delighted to invite you all to our Wellbeing Wednesday event on Wednesday (11<sup>th</sup> February) in the school hall.**

**At this event there will be a range of external agencies for families to speak to. Miquill, our hot dinner provider, will also be at the event with free hot food samples. They are also keen to speak to families regarding new menu ideas etc.**

**A letter will be emailed out today with further information. This event is open to all – we hope you can make it!**

## My Child At School App

**Please review your child's records on MCAS to ensure all information is current and accurate, especially any updates to medical conditions and photo consents. Some children's social media consent is still pending.**

# ★ STARS OF THE WEEK ★

Proud  
of you

**YEAR R:** Matty - for trying really hard in phonics and recalling 20 sounds!  
Billy - for his brilliant writing about Chinese New Year!

**YEAR 1:** Rosie - for working so hard this week and being such a kind and helpful member of our class.  
Theo - for an excellent week and such a huge effort with phonics.

**YEAR 2:** George - for the effort he has put into creating his own traditional tale!  
Grace - for the incredible focus she has shown during our writing lessons!

**YEAR 3:** Caitlyn - for a positive attitude and always showing she is ready to learn.
