# Chronicle Team Welcome

Welcome to the Summer 2 Chronicle. The final half term has certainly been a busy one. We've been enjoying lots of fun and exciting activities like a whole school trip to the Malvern Hills as part of Opening Minds Week, Sports Day, Den Day and watching the amazing Year 6 production of 'Cinderella, Rockerfella'. Read on to find out about these events, what's been happening in each class and for our fun pages—a Cinderella themed wordsearch, colouring and jokes.

Thank you for reading. We've loved being part of the Chronicle team this year, and we've already welcomed some of our new members ahead of next year: Lily, Elis and Teddy.

By Evie and the Chronicle Team.

## Headteacher's Welcome

The Kingstone Chronicle has been a constant for many years, showcasing the vast array of activities that take place in our wonderful school. It is, therefore, with very mixed emotions that I sign off my final Headteacher's Welcome as Head of Kingstone and Thruxton Primary School. It has been the most amazing journey, and I feel incredibly grateful to have worked alongside so many talented members of staff over the years, and the most amazing children. I'd like to take this opportunity to thank each and every person who has been part of my journey over the past 12 years—I am so proud of what we have achieved together. I know that the school is in very safe hands as it enters its next chapter, and I pass the baton onto Mrs Preece. I am grateful that I will still be involved with the Trust in my capacity as CEO, and look forward to seeing the school continue to thrive.

It is fitting that this edition of The Kingstone Chronicle is such a bumper one! It gives a snapshot of the fabulous work that takes place here, shining a light on the children, parents and staff that are the heart-beat of our community. Thank you to you all—it has been a privilege to work alongside you in this incredible school.

With best wishes for a lovely Summer,

Elissa Vigus

## Reception Summer Term 2

What a fantastic year Reception have had! Every child has had a brilliant start to their education and have made so much progress. I can't believe how fast it has gone but it has been such a pleasure to be part of each child's journey!

### On Safari

Our topic this half-term has been On Safari. We have found out about different wild animals and their habitats, looked at the World map, and compared the animals here in the UK to those in Africa.

### Opening Minds Week

We took part in our last Opening Minds Week of the year, which was named, 'Reaching New Heights'. As a whole school, we climbed to the top of the Malvern hills – such an achievement!

Our fieldwork task in Reception was to think about what provision we wanted Mrs Perrin to set up outside for us. In order to do this, we needed to create our own playground maps with our ideas on. We worked so hard on this and had such fun taking part in our chosen activities!

## Reading Buddies

This half-term, we have paired up with Year 6 to share our enjoyment of reading through Reading Buddies. It has been so lovely to share a story or two each week with our buddy, and it is something that we all have really looked forward to!

Thank you to all of the Reception children and their parents for a brilliant year. It has been a pleasure to see how much the children have all grown, and we can't wait to follow their next adventure through Year 1.

Have a lovely summer!

Mrs Perrin and the Reception Team.

# Summer in Year 1

We have had the most fantastic final half-term in Year 1. We have had so much fun learning about our topic 'Happily Ever After'. We have loved reading fairy tales, comparing different versions and hearing traditional tales from around the world!

In English we have been writing about the stories we read and about our topic learning. We are really proud of our writing about The Magic Porridge Pot. We have been writing recipes and instructions for how to make porridge. We are looking forward to following our own instructions!

In Maths we have been thinking about coins. We have been learning what different coins look like and how we can count them. We loved pretending to be shopkeepers and customers to buy items!

We have had a brilliant time learning about our topics. In Art, we have been learning about the natural artist, Andy Goldsworthy. We have loved recreating our own natural art designs! We have also been learning how to follow an algorithm, as part of our Computing. We have really enjoyed using Scratch Junior.

# Year 2

A highlight of our final half-term in Key Stage One was our trip to Aberavon Beach in Port Talbot. We had such a fantastic time and it gave us lots of opportunities to discuss the changes in the natural world around us. The children were able to take part in lots of different beachside activities like digging holes, making sandcastles and paddling in the sea. They behaved beautifully and set a wonderful example for our Year 1 friends who joined us.

Year 2 have also been working hard in our Computing lessons. We have been exploring using Scratch Junior, and have thought a lot about giving instructions when programming computers. Every child has been able to input instructions to create a quiz about animal habitats.

National fieldwork week also gave us the opportunity to get outdoors and hone our geography skills. We looked closely at aerial photographs to find out what had changed in our local area over the last two decades. This prompted some interesting discussions about the amount of people that live close to our school.

We have had such a fantastic time in Year 2. Everyone has worked very hard and they've all behaved beautifully and displayed our school values throughout the year. While I am sad to see this wonderful group leave my class, I am immensely proud of them and can't wait to see them continue to succeed in Year 3.

Have a restful summer and I'll see you all in September!

Mr Bull

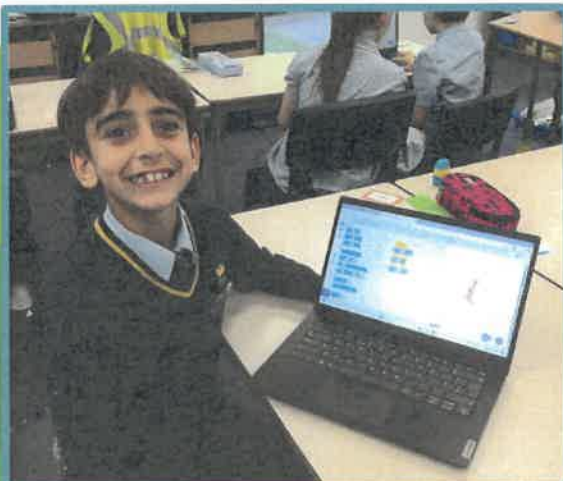

# Year 3

What an amazing final half term we have had in Year 3! We have been very busy taking part in Sports Day, Opening Minds Week and Transition Day on top of all of our fabulous learning.

## Art

This half term we have been focusing on mixed media art. We have looked at a range of artists and have experimented with different media including water colour, oil pastels and string to create some nature inspired masterpieces.

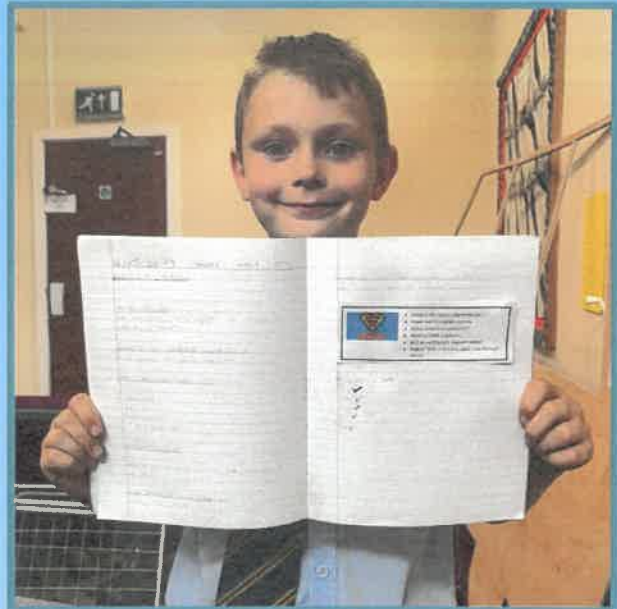

## Computer Science

We have continued our exploration of 'Scratch' this half term. We have used the coding blocks to make our Sprite draw shapes and have also had a go at coding it to write our name!

### Geography

We have been learning about Europe. Our lessons have led us to explore Athens, looking at the human and physical features. We have discussed why people would want to visit, through a silent debate.

### Opening Minds Week

Year 3 loved all of the activities they took part in during Opening Minds Week. We pushed ourselves and worked on our perseverance during our Malvern Hills walk, showing great enthusiasm. We also took a walk around the village to look at the human and physical features. We looked at the different road signs, open spaces and of course the park (that obviously had to be tested). Back at school, we explored the question 'What habitats are around our school?'. The children recorded evidence of plant and animal life, before writing postcards to explain why these spaces need looking after.

### Ukelele

We have been making great progress with our ukelele lessons and can now use the C, F, Am and G7 chords to play along to songs.

## Year 4 Class News

The Year 4 children have continued to work hard and produce some impressive work, in all areas of the curriculum. Friendships have blossomed and all children have risen to the challenge of working and playing with children they would not normally choose to. It has led to new friendships and a lovely atmosphere in the classroom. Year 4 are very sensible and mature whenever we have class discussions about ways in which we are changing both physically and emotionally. They are very supportive of each other and are able to give advice and share their own stories about how they have changed since starting school and how they coped with those changes.

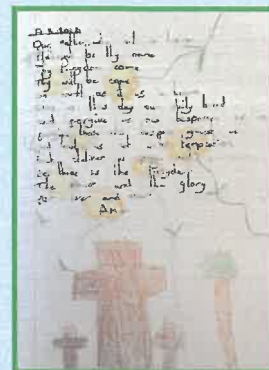

In Science, Y4 have been learning about the dangers of the sun and have made posters to remind people how to stay safe.

There is nothing more exciting than a set of science lessons that involve eating and messy play! This is exactly what a topic involving states of matter provides. After testing the properties of ice pops before and after freezing, observing the changes in jelly cubes as they melt and set, and finally experiencing the thrill of cornflour mixed with water, the children can now tell you lots about changes in states of matter.

It is always a delight to mark the books in Year 4 and the examples above showcase why, perfectly. As part of their RE topic, the children were asked to think about the meaning of the words in the Lord's Prayer and then illustrate a handwritten copy to reflect their ideas. All the children thought very carefully about the meaning of each line and discussed their relevance to Christians and non-Christians alike.

The whole class have astounded me with their enthusiasm, focus and sheer determination to pass the Multiplication Check. Every child in class has made outstanding progress, and over half the class are able to answer over 60 multiplication question in under 1 minute, making them 'Rock Heroes'. There are also a handful of pupils in year 4 who can answer over 130 questions in 1 minute giving them a speed of under 0.5 seconds—it is truly awe inspiring to watch!

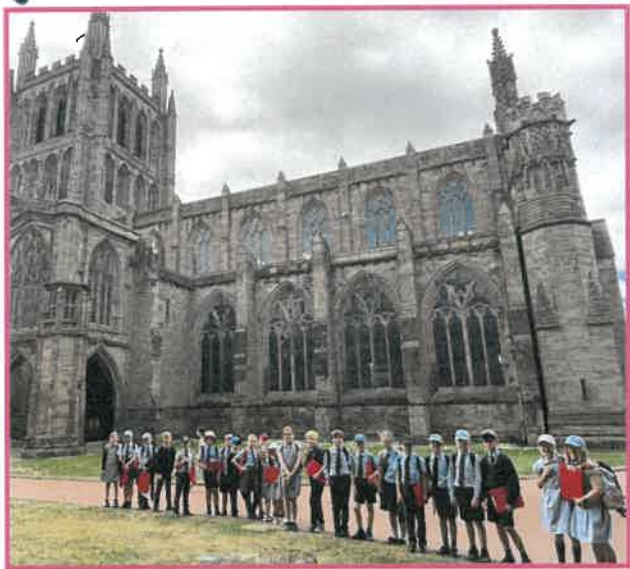

It's not all hard work in Year 4; the children have plenty of time to chill out and enjoy building friendships as well as keeping active with their friends. The adventure trail is a particularly popular spot for the class.

As a class teacher there is nothing more heart-warming than seeing a class of children proud of their own work and wanting to share it with the rest of the class. Last week was yet another example of Year 4 children positively sharing and commenting on the hard work of others; well done Year 4, may your enthusiasm and support for each other continue into Year 5.

# Year 5

We have had a very busy final half term in Year 5. The children have worked hard to the very end and also enjoyed the fun, exciting events like Sports Day, a whole school walk up the Malvern Hills and Den Day. It has been a wonderful year and I am so proud of all the progress the children have made. Their transition day this half term gave them a flavour of what is to come; I know they are all very excited and will thrive in Year 6. I hope all children and parents have a lovely summer break!

In our English lessons, we've been writing recount on the Battle of Hastings. The children's descriptive writing was impressive and they enjoyed including lots of gory details. We've also written a persuasive speech about plastic in the ocean, which included lots of interesting facts.

We've been learning about statistics in Maths. We began with an exciting, practical lesson where we counted the number of each colour skittle in a packet and presented the information on a bar chart. We've since learnt how to interpret and draw line graphs, tables and tally charts.

The children have absolutely loved taking part in the great variety of activities in forest school this half term. Mrs Morgan has worked very hard to plan lots of fun activities such as cooking, mud kitchen, and milkshake making. The children have also learnt how to use a variety of tools and applied their practical skills to help create a lovely forest school environment for themselves and others.

In Art this half term, we've been inspired by Zaha Hadid who is an architect. She is well known for her interesting and unconventional building designs. We've considered the skills involved in becoming an architect and had a go at recreating some of her designs.

One of the highlights of the half term was Opening Minds Week: 'Reaching New Heights'. As well as a whole school trip to the Malvern Hills, Year 5 also went on a trip to Hereford city centre, where they completed a scavenger hunt and visited the cathedral. The children also investigated the types and number of trees on the school grounds. A very busy, but enjoyable, week was had by all!

## Year 6

What a fantastic final term we've had in Year 6! It's been absolutely jam-packed with memory moments that our children will cherish forever. This term, they celebrated their achievements, especially with their impressive SATs results, which reflected all the hard work and dedication they've put in throughout the year. Everyone has shown tremendous growth and character, and we couldn't be prouder!

The highlight of the term was undoubtedly the PANTO the children put on, which was filled with humour, creativity, and the unmistakable spirit of teamwork. The children truly shone on stage, captivating the audience and showing just how talented they are. Their commitment and passion during rehearsals and performances were commendable, and we're sure it's an experience they will treasure for years to come.

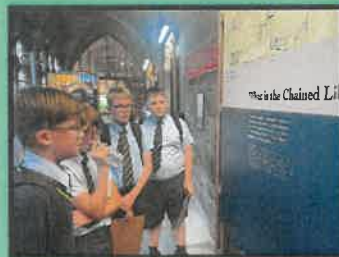

From strength to strength, the children have blossomed in their final year, displaying maturity, resilience, and a sense of community. As they prepare to embark on their next adventure, whether that be secondary school or new extracurricular activities, we want to take a moment to express how incredibly proud we are of each and every one of them. They have laid a solid foundation for their future, and we believe great things are in store for them. Here's to the future, Year 6! We wish you all the best in your next chapter!

## Opening Minds Week

Year 6 loved this half term's Opening Minds week: 'Reaching New Heights', which brought a wealth of experiences and unforgettable memories. We kicked things off with an exciting excursion to the Malvern Hills. The beautiful landscape provided the perfect backdrop for our walk, and Year 6 not only relished the fresh air and stunning views but also demonstrated exemplary behaviour as they led their Reception partners. As the week continued, our explorations took us to Hereford, where we delved into the rich tapestry of the city's human features. Armed with maps, Year 6 enthusiastically sought out significant landmarks, locating Hereford Cathedral with its impressive architecture, the lively town centre, and the bustling Old Market. Our exploration also included a fascinating look at the Mappa Mundi and the Chained Library in Hereford, both of which are treasures of historical significance. Year 6 were captivated by the intricate details of the medieval map and the concept of the chained books, fostering a sense of wonder about the past. It was a week filled with curiosity, learning, and personal growth—well done, Year 6, for making the most of this enriching experience!

## Boxing

This week, Year 6 had an exciting time learning the art of boxing with Hereford Police! The children dived into the basics, mastering how to spar and utilise footwork in the ring. It was fantastic to see them practising these skills on the boxing bags, all while donning their gloves with huge grins on their faces. To wrap up this thrilling experience, the students participated in a friendly competition where they designed posters showcasing the important values of boxing. There were some brilliant entries, and it was tough to choose winners! Ultimately, Logan took home a brand new pair of boxing gloves, while Layla bagged a stylish boxing t-shirt for her efforts. A huge thank you to Hereford Police for this unforgettable experience, and well done to all the children for their enthusiasm and creativity!

# PRODUCTION

**The Year 6 children have been working exceptionally hard on their production. This story is about a poor girl called Cinderella (Cinders), who was treated very badly. Her sisters would shop for food and clothes but would not give her any. Cinders is always kind and caring, she cares for pets and people.**

## CAST LIST

CINDRELLA : PAGE

ROCKERFELLA: ZACH

UGLY SISTERS: MASON C: AND KIAN

DAN DEENY: ZION

BUTTONS: CHARLOTTE

## Thrive

In the new term we will be launching Thrive, which Miss Exley will be delivering across the school. The Thrive approach is a dynamic, developmental and trauma sensitive approach to meeting the social and emotional needs of children. We are excited to embrace Thrive across the school, so keep an eye out for more information at the beginning of the Autumn Term.

## Summer Holiday Activities

If you're looking for something to keep you and your family occupied this summer, below is a list of fun activities and events taking place across Herefordshire during the school holidays.

- [Community Afternoon Tea](#), Holme Lacy Village Hall Wednesday 23 July & Wednesday 20th August 1-3pm

Get together, connect with your community and enjoy an afternoon tea.  
FREE

- [Mythical Creatures](#) Monday 4 August - Friday 8 August, 9.30am-3.30pm

A fun summer holiday workshop for children in school years 5-8. £150 per child (advance booking required)

- [Junior Bowls Club](#), Hereford Bowling Club  
Saturdays 19 July, 9 August, 16 August, 23 August and 30 August  
10.30am – 12pm

Free outdoor bowling session for children aged 17 and under. Families are welcome.  
FREE

**Wellbeing and Emotional Support Teams (WEST)**

**Who we are**  
WEST is an NHS service that works with children and young people aged 5-18.

**What we do**  
Educational Mental Health Practitioners (EMHPs) work in your school with children, teachers and parents.

Sometimes we can feel worried or sad. It can make it hard to sleep, eat or concentrate at school.

We continue to work with our WEST worker, Nina. Please do email or call the school if you would like further information about WEST.

Please do email me or call the school if you ever want to arrange a meeting, or if you want any help and support.  
(Miss Exley)

# Hot Chocolate with the Head!

What an absolute delight it has been to host almost 100 'Hot Chocolate with the Head' gatherings! I have loved each and every one, and have thoroughly enjoyed hearing about the achievements of the guests, and all that they have to look forward to. I am so proud of all the Shoutouts that get handed out for 'over and above' standards around school, and know that there are many more to come in the future. We had a special outdoor Hot Chocolate to commemorate the last one, and had such a lot of fun! I look forward to reading about future winners in next year's editions of The Kingstone Chronicle, but for now, a huge thank you and well done to all the winners—you are fantastic!

Mrs Vigus

Well done to... Figgy, Jack, Lily, Grace, Juno, Preston, Jake, Lincoln , Archie, Phoebe, Aeryn, Lanah, Ollie, Issac, Kacie, Rauri, William, Skye, Zion, Paige, Poppy and Mikayla!

# Star Writers!

After over 500 Star Writers have celebrated with me over the years, it was so lovely to welcome the final 7 guests to an extra special Writers' Tea Party! A huge thank you to Jaxon, George, Leighton-Lee, Bella, Darcie, Elis and Ky, who were so supportive of each other, and took so much care to compliment the work around the table. I loved every second of our celebrations—keep up the great writing, everyone—you are the authors of the future!

Mrs Vigus

## Congratulations to these Star Writers!

**Reception: Jaxon** —for his fantastic sounding out and neat writing in our caption writing tasks. We were so proud of Jaxon's progress!

**Year 1: George**— for writing fantastic speech for the pig from 'The Three Little Pigs'. George used his imagination to think of what the pig might say, and used exclamation marks to show his emotions.

**Year 2: Leighton-Lee** - for working worked incredibly hard to create a free verse poem about what he would do if he was in charge of the school. He focused on using repetitive elements and presented his work beautifully—we loved the idea of chocolate furniture!

**Year 3: Bella**— for a brilliant clear, neat style in all of her writing lessons. She uses powerful adjectives and language techniques, such as alliterations, to improve the quality of her writing, and we loved her final piece!

**Year 4: Darcie**—for a very informative letter to a Year 3 child, who we all decided would be very lucky to receive such a beautifully written letter!

**Year 5: Elis** - for an emotive and descriptive recount of the Battle of Hastings. We loved Elis' handwriting and vocabulary choices!

**Year 6: Ky** — for such fabulous progress throughout the year, including great variation of effective punctuation and vocabulary in his final piece!

# Out of School Achievements

We've had so many brilliant achievements to celebrate this half term! We celebrate these achievements during our key stage assemblies every week. We are really impressed by the range of activities that everyone has been getting up to out of school. Here are some of their amazing achievements...

As always, we have seen lots of swimming certificates this half term, from those just started to learn to those being able to swim an impressive 25 meters! This half term we are celebrating:

Dotty, Noah, Rosie M in Reception, Louie, George, Aeryn in Year 2, and Lilley in Year 4.

This term sees us wave a fond farewell to our most decorated swimmer, Evie. We are so proud of all of her achievements and wish her well as part of the Tri-county relay team. Keep up the good work Evie, please keep us informed of your progress!

Our gymnasts have been busy again, we are saying a big well done to: Mikayala in Year 3, Gabriella in Year 4 and Skye and Esme in Year 5

We have celebrated lots of footballers this half term, with many children playing in local tournaments. Well done everybody!

in Reception, in Year 1, in Year 2, James, Oscar, Jessica, Rex, Bella, Mikayla, Daisy and Isla in Year 3, Robbie, Arnie and Teds in Year 4, Aimee, Lexi, Grayce, Daisy in Year 5 and Charlotte in

We have had lots of other achievements this half term:

Reception - Zack, yellow stripe belt in Karate.

Year 1 - Vinnie, white belt in martial arts, Liana and Grace W for ballet.

Year 2 - Leighton-Leigh, Horse racing, George, 3 badges from Beavers.

Year 3 - Mikayla, Level 2 trampolining.

Year 4 - Myla, cheerleading and dance.

Year 5 - Fae, a beautiful sewing project. Teddy, dance recital.

Year 6 - Oliver, Young Farmers Rally competitions, placing 1st and 3rd. Max completed the 13 Bridges Walk in London, a fantastic achievement in very hot weather!

# Values

## PERSEVERANCE

Our school value this half term is perseverance.

Perseverance is defined as continued effort to do or achieve something despite difficulties, failure or opposition.

Some examples of when you should persevere are:

- When you find something tricky in a lesson.
- If you are learning a new skill like riding a bike.
- When you trying to solve a problem with a friend.

YOU ONLY  
& Fail &  
when  
YOU STOP TRYING

By Elis

# Reaching New Heights

Our Opening Minds Week theme was 'Reaching New Heights'. To begin the exciting week, the whole school travelled to Malvern on minibuses and coaches. We embarked on an adventurous walk up the Malvern Hills and enjoyed a picnic at the top. The views were amazing! There was a big dam, lots of fields and landmarks to look at. Despite some parts of the walk being a little challenging, everybody made it to the top. A few children stayed behind and took part in exciting activities related to the Malvern hills such as creating a 3D recreation of the landscape.

As part of our learning, Year 5 and 6 visited some important sites in Hereford town centre, Year 3 and 4 went on a village walk and Key Stage 1 did fieldwork activities in school. A busy and brilliant week!

**BY AIMEE**

# Sport at KTPS

## National Sports Week

National Sports Week is always a brilliant opportunity to celebrate sport at our school and in our community. We welcomed Burghill Golf Club, Hereford FC, Matt Hudd Martial Arts, Herefordshire Cricket and React Gymnastics to our school to deliver a session to each of our classes. It was fantastic to see every child get involved in each session and we even have some children joining some of the clubs outside of school now.

We would like to say a big thank you to all the sports clubs that visited our school to deliver a session. Every coach commented on how brilliant our children were and what positive attitudes they all have.

## County Cricket Tournament

A number of our Years 5 and 6 children participated in the annual county cricket tournament at the Herefordshire cricket grounds. After a number of challenging matches, the team made it through to the finals and finished 8th out of 35 schools! Everyone should be proud of their teamwork, sportsmanship and attitudes throughout the tournament.

# Sports Day

Sports Day looked a little different this year, as we incorporated more field events throughout the morning. Despite it being a hot day, the children participated in javelin, speed bounce, standing long jump, tennis challenges, obstacle races, egg and spoon races and running races. It was such a lovely morning, with so many parents and carers in attendance to cheer everyone on.

We would like to say a big thank you to Mr Thakkar for filming the event. Please look out for our Sports Day video on our school Facebook page.

# Summer Games

The Summer Games is always a highlight of the year and with this year being the final Summer Games it was a big celebration! A number of Years 3 and 4 children participated in tennis, whilst Years 5 and 6 were busy competing in rounders. I know the children had such a brilliant time and we look forward to more sporting events.

# The Final Interview

As this is the last Chronicle under Mrs Vigus, we thought it only right that we conduct an exit interview. We are so excited that Mrs Vigus will still be a part of our school and wish her all the luck in her next adventure.

---

What have you enjoyed about being our Headteacher?

I have loved every single day of being Headteacher here. It has been amazing to see so many children shine over the years - I feel very fortunate!

How are you feeling about your new role?

I'm very sad not to be at Kingstone every day but I am excited to be able to spend a bit more time helping everyone across the Trust. I will still pop back to see you all!

Have you got a favourite memory from your time at Kingstone?

I've got so many memories to choose from, but some of my favourites are the Residentials, Opening Minds Weeks and the video of everyone celebrating such resilience during the COVID lockdown.

# Our new Head

Mrs Preece will be stepping up as our new Head of School in September. We're very excited for her and wanted to hear what she's looking forward to.

---

If you could be any animal what would you be and why?

*I would be an octopus because two arms just aren't enough. I also love spending time at the beach and in the sea!*

What are you most looking forward to in your new role?

*Getting to know the families and children better, and implementing some new, exciting ideas for the school.*

What can you tell us about the new leadership team?

*They are an excited and committed team who all want to make sure that the children at Kingstone are happy and learning. We have lots of ideas to make this brilliant school even better.*

# Meet Miss Wood

Meet Miss Wood, our current Year 3 teacher who will be stepping into the Year 5 classroom this September! We're thrilled she's joined our school and wanted to learn more about her.

---

You're teaching Year 5 next year; what are you most excited about?

*I am most excited about going to the Isle of Wight and getting to know my class*

What inspired you to become a teacher?

*My Year 5 teacher, Miss Roberts, was my main inspiration when becoming a teacher.*

If you weren't a teacher, what would you be?

*I think I would be a paramedic or a police officer.*

# Cinderella Magic

You will need:

- 3 lollipop sticks
- 2 googly eyes
- Scissors
- Paper
- Glue

## Instructions:

- First, line up your lollipop sticks to make a triangle shape.
- Next, with your paper, cut a triangle shape that lines up with your lollipop stick size and glue it on top.
- Now, time for accessories! Cut out a moustache like shape and glue on top of the paper. Add hands either side and add googly eyes. Now, you are done!

Did you know?

The very first Cinderella was performed in the 1st century.

By Lily

# Cinderella Cookies

## Cookies

1. 2 grams of plain flour
2. 1/4 Tsp. salt
3. 3/4 grams softened unsalted butter
4. 1 large egg
5. 1 Tsp vanilla extract

## Topping

1. 1/4 grams sugar
2. blue food colouring
3. white pearl chocolate

## For Cookies:

1. Combine all the dry ingredients together in a large bowl and mix.
2. Next, add the wet ingredients (butter, egg, vanilla extract).
3. Mix until everything is combined. Do not over mix.
4. You can roll out the dough and flatten them and press the cookie cutter in the dough and then peel the access dough off and use it for the next cookie.

## For the Topping:

1. Add the 1/4 sugar and 10 small drops of blue food colouring in a mixer and mix until fully combined. Once all the cookie circles are cut out, drizzle the tops of the cookies with the blue sugar topping.
2. Preheat oven at 325 degrees. Bake for 15 minutes. Once the cookies come out of the oven quickly add the White pearl chocolate to the tops.
3. Allow to cool, enjoy!

By Aimee

# Jokes

What did Cinderella say when  
her photos didn't come out of  
the photobooth?  
Someday my prints will come.

What did Cinderella say when  
Prince Charming drank her glass of  
milk?  
How dairy.

What did Prince  
Charming say when he  
placed Cinderella's glass  
on her foot?  
You're my sole mate.

Why did Cinderella get  
kicked off the football  
team?  
She was running  
away from the ball.
