

Friday 6th March 2026

Dear Parents and Carers,

We are writing to let you know about our upcoming Opening Minds Week. This week will run from 16/03/26 to 20/03/26. The title of this week is:

All the Pieces of Me!

The week will focus on family, belonging and what makes each of our wonderful pupils unique. We will be encouraging pupils to reflect on themselves and their families and on the special people that make up their family unit and wider support network. We will be exploring and celebrating what makes each family unique and special.

As part of this celebration of families, every child will have an opportunity to welcome a family member into school to share in their learning. Below, you will find a timetable for the week detailing the times that family members are welcome to come in and join the pupils.

These sessions will involve a range of activities – we promise opportunities for active learning and a lot of fun!

Monday 16/03/26	Year 5 and 6 family session 13:00-15:00pm
Tuesday 17/03/26	Reception family session 13:00-15:00pm
Wednesday 18/03/26	Year 1 family session 13:00-15:00pm
Thursday 19/03/26	Years 2, 3 and 4 family session 13:00-15:00pm
Friday 20/03/26	Celebration Assembly 9:00am This week's assembly won't feature a class showcase, instead there will be a short 5-minute quiz that may just feature some embarrassing photos!

Please email ktpsadmin@kingstoneacademy.co.uk to book a space for you or another family member onto your child's family session. The deadline for booking a space is Friday 13th March. When you email, please let us know the year group of your child, and the name of the person attending. Please note, at this time, we are only able to accommodate one adult family member per child.

We hope you can join us!

Kind Regards,
