

Tuesday 3<sup>rd</sup> June 2025

Dear Parents and Carers,

Thank you for all your support, help and hard work throughout this year. I am excited to get stuck into this final half-term in Year 2. The children have been fantastic in their studies this year, so I have every confidence they are going to love learning about scientific experiments, our local history, athletics and much more.

### Reading

Children will continue to have the opportunity to change their reading books each morning as they complete them and log them onto BoomReader. The expectation for reading engagement at this stage of Year 2 is for each child to read to an adult 4 times a week at home. If you are having trouble logging in to BoomReader, or having difficulty with reading at home at all, please do let me know.

### Numbots and TTRS

Please continue to encourage your child to access Numbots and TTRS at home. 10-15 minutes of both Numbots and TTRS each week has a huge impact on their recall of basic number facts and allows children to flourish and show their best in our Maths lessons. This will be particularly important as they move into KS2.

### Swimming/PE

Our final swimming day is on Wednesday so children should come to school ready to go swimming on 04/06/2025. From next week, our PE day will be on a Monday each week. We will be developing our athletics skills across a number of areas. Please ensure that your child comes to school with sun-cream and a water bottle to enable them to stay safe in the sun.

### Jumpers

As it gets hotter, more jumpers tend to be removed at lunch and break time. Please ensure your child's jumpers are clearly labelled with their name so that there is less chance of them being lost or going home with another child.

Kind Regards,

Mr Bull

Year 2 Class Teacher
