

Year 4

Autumn 2 Learning Jigsaw

Writing

This half term will complete an adventure narrative, based on the book 'Journey' written by Aaron Becker.

We will write a sales pitch to promote the cuddly toys that we are creating in D&T lessons.

Music

This half term Year 4 will spend time learning to sing the songs ready for the Young Voices concert.

Maths

We will look at multiplication and division problems and learn to multiply and divide 3-digit numbers, using formal methods.

We will use our knowledge of shape and perimeter to begin to learn about area.

We will continue to work on our fluency of all tables up to 12x12.

We will use Times Table Rockstars and other games to build up speed and confidence.

D&T

In D&T this half term we will be learning to thread a needle and use embroidery thread to create our own fabric animal.

Languages

This half term in French we will continue to learn vocabulary for everyday life as well as some basic phrases to use in conversation.

Year 4 Learning Jigsaw

RSHE

This half term we will be celebrating difference. We will explore how respect for similarity and difference is shown. We will have discussions about bullying, why it happens and how we can help to prevent it.

Geography

In Geography we will be exploring climate zones around the world. We will use atlases to locate different zones and will carry out research in order to compare areas.

Science

We will continue look at animals, focussing on habitats and classification.

We will learn about the seven life processes and discuss the impacts humans have had on the environment and how this affects humans.

Religious Education

Our key question is, 'What kind of world did Jesus want?' We will research Bible passages to help answer our questions.

PE

This half term we will be exploring Indian dance. We will look at body movements in classic Indian dance and use what we find to create our own dance phrases.

Computing

This half term we are going to learn about audio editing and recording. We will make recordings and edit them. We will add sound effects to podcasts.
