Change of title to PTFA – Parent Teachers Friends Association

We need to look at more funding for the PTFA, Vickie Tomkins has approached a couple of businesses that seem quite keen. We need to build up links within the community with local people/businesses.

Looking at putting up a display for PTFA in school, possibly a thermometer when we are fundraising for something large so parents/carers/children can see how far away from the target we are.

School council could possibly feed back to the PTFA any ideas of what the children would like the money raised to be spent on. Money could be given to each class e.g. aprons.

An advert will be put out asking for parents/carers/friends if they would like to be a class rep.

Christmas Fayre is on the 5th December.

Next PTFA meeting will be on Wednesday 1st November at 3:30pm.
