Kingstone and Thruxton March Newsletter No. 4

I can't quite believe we are at the end of the Spring Term! We have managed to fit so much brilliant learning in over the weeks, some of which is showcased in the latest edition of The Chronicle which

has gone home with children today. The end of term also saw us wave a temporary farewell to Miss Chamberlain as she starts her maternity leave; we wish her well and can't wait to meet our latest member of the Kingstone Team!

A huge thank you to those of you who were able to attend the Infant Crafternoon this week—it was a lovely event, and great to see so much joint Easter crafting!

Year 2 were out and about this week as they went hunting for spring flowers, as part of their Science learning. They then wrote some excellent information sheets explaining what they had learnt.

Year 3 are really enjoying their ukulele lessons with Mrs Sherwood, a visiting music teacher from Encore Music Service. They have learnt some of the key notes and are really impressing Mrs Sherwood with how well they are remembering these notes each week. Their lessons will continue to the end of this year and we are really looking forward to seeing what they learn next!

This week Year 4 have been lucky enough to go on two school trips. They started the week at going to lambing live where they were lucky enough to see two sets of twins being born! They

even had an opportunity to have a cuddle! On Thursday the children headed off to Hereford to complete their Geography field work, they have been exploring what the city has to offer people and the different land uses.

And finally, a huge well done to Evie, who represented the school at the Herefordshire Swimming Gala at the weekend. She did a fantastic job, achieving 1st place in 25m Freestyle and 25m Breaststroke, even setting a new Year 5 record by beating the previous record by 3 seconds! We're really proud of Evie's hard work and for being a brilliant ambassador for Kingstone.

I hope you have a fantastic Easter Break and look forward to welcoming everyone back to school on Monday 8th April for the start of the Summer Term.

Elissa Vigus Headteacher
